2.1 The Project. All of the Lots in the Single Family Residential Area shall be subject to this Declaration and shall constitute the Project. Declarant hereby declares that all of the Property is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to all of the covenants, conditions and restrictions contained in this Declaration, all of which are declared and agreed to be in furtherance of a plan for the subdivision, improvement and sale of the Property and are established and agreed upon for the purpose of contributing to the enhancement of the value, desirability and attractiveness of the Property and every part thereof. This Declaration shall run with the Property and shall be binding upon and inure to the benefit of the Declarant, each Owner of a Lot in the Project and each successor in interest of such Owner. Each and all of the covenants, conditions, restrictions, limitations, easements, uses and obligations contained herein shall be deemed to be and shall be construed as equitable servitudes enforceable by Declarant, and the Owner of any Lot against other Owners, tenants, or occupants of the Property, or any portion thereof.

The Project does not include the Golf Course, club house, tennis courts, pool or other recreational facilities. The name "The Cordova Club" is simply the identifying name given to the Project and no intent, agreement, promise or representation to construct, maintain, or

continue in existence the Golf Course, club house, tennis courts, pool or other recreational facilities shall be implied by the use of such name or by any other action or failure to act of the Declarant.

2.2 Separate Taxation. Each Lot shall be deemed to be a parcel and shall be subject to separate assessment and taxation by each assessing body and special district for all types of taxes authorized by law, including ad valorem levies and special assessments. No forfeiture or sale of any Lot for delinquent taxes, assessments or other governmental charges shall divest or in any way affect the title to any other Lot or to the Common Area.

2.3 Title. A Lot may be held and owned by more than one Person as joint tenants, tenants in common, tenants by the entirety, or in any real property tenancy relationship recognized under the laws of the State of Tennessee.

2.4 Liens Against Lots - Removal From Lien - Effect of Part Payment.

(a) No labor performed or materials furnished, with or without the consent, or at the request of an Owner of a particular Lot, or his agent, shall be the basis for the claim or perfection of a lien of any kind, statutory, equitable, legal or contractual against a Lot, Common Areas or improvements of another Owner not expressly consenting to or requesting the same. No lien shall lie or be enjoyed by any Person for labor performed or materials furnished for the Common Areas and the non-payment for same shall not be the basis for the establishment of a lien pursuant to law, or equity or contract against any of the Lots or Common Areas. Any Person undertaking to perform labor for or furnish materials to the Common Areas shall be bound by this prohibition against liens.

(b) Each Owner shall indemnify and hold each of the other Owners harmless from and against liability or loss arising from the claim of any lien against the Lot of that Owner, or any part thereof for labor performed on or for materials furnished to such Owner's Lot.

(c) The provisions of Section 2.4(a) and (b) shall not, however, in any manner affect rights established elsewhere in this instrument with respect to liens in favor of the Association or the Declarant.

3.3 Easements Deemed Appurtenant: The easements, uses and rights herein created for an Owner shall be appurtenant to the Lot of that Owner and all deeds, grants and conveyances of and other instruments affecting title to a Lot shall be deemed to grant or reserve the easements, uses and rights as are provided for herein, even though no specific reference to such easements, uses and rights appears in any such conveyance.

3.4 Easement: A non-exclusive easement for ingress and egress is hereby granted to all police, sheriff, fire protection, ambulance and other similar emergency agencies, services or Persons, and to U.S. Postal Service persons, and garbage collection, now or hereafter servicing the Property, to enter upon all streets, roads and driveways located in the Property, and upon the Property, in the performance of their duties.

3.5 Ingress and Egress. Should any utility company request a specific easement by separate, recordable document, Declarant shall have the right, without joinder by any other party, to grant such easement on and over any of the Property without conflicting with the terms hereof. The easements provided for in this Article shall in no way affect any other recorded easements on said premises.

3.6 Easements of Enjoyment in Common Area. Every Owner shall have a right and easement of use and enjoyment in and to the Common Area, including, but not limited to easements for pedestrian use, utility lines, pipes, wires and conduits, which shall be appurtenant to and shall pass with the title to each Lot, subject, however to the following:

(a) The provisions of this Declaration, and Architectural Committee Rules (as the same may from time to time be adopted and amended);

(b) The rights and easements granted and reserved as set forth elsewhere in this Article;

(c) The right of the Declarant to dedicate or transfer all or any part of the Common Area to any public agency, authority, or utility, tax assessing body, maintenance body or special district, for such purposes and subject to such conditions as may be agreed upon in Declarant's sole discretion.

(d) No Lot Owner shall have any interest whatsoever, real, personal, tangible or intangible, in the Golf Course, club house, tennis courts, pool or other recreational facilities. All such facilities and the real and personal property attendant thereto are exclusively owned by Essenjay and Associates and any successor or assign of Essenjay's choosing.

3.7 Easements to Benefit Golf Course.

(a) A permanent easement or easements are declared and reserved in favor of Essenjay and Associates, its successors and assigns over, under and across all and any portion of the Property where a private or public drive is contiguous with the Golf Course: i.e. "Parcel 7 and Cordova Club Drive (Future) (68' R/W)" as so described in "Final Plan for Phase II, The Cordova Club" recorded at Plat Book 133, Page 43 in the Register's Office of Shelby County, Tennessee. Such easement or easements shall be for the purpose of unrestricted ingress, egress and access by Essenjay and Associates, its successors, assigns, and designees, to and from those portions of the golf course immediately adjacent thereto and for water lines and irrigation machinery, their maintenance and repair. This easement shall be

permanent and shall not be terminable by any party other than Essenjay and Associates or the then owner of the Golf Course.

(b) A permanent easement or easements are declared and reserved in favor of Essenjay and Associates, its successors and assigns over, under and across all and any portion of the Property for the purpose of installation, maintenance, and repair of utilities, drainage, and irrigation serving or intended to serve the Golf Course. In furtherance of such easements, the easement or easements shall include a right of ingress and egress of maintenance persons and their equipment, where necessary, for installation, inspection and repair purposes. No Dwelling Unit, structure, planting or other Improvements of any kind shall be built, erected or maintained upon a Lot which will damage or interfere with or change the direction of flow of drainage onto the Golf Course without the prior written approval of the then owner of the Golf Course. This easement shall be permanent and shall not be terminable by any party other than Essenjay and Associates or the then owner of the Golf Course.

3.8 Reciprocal Appurtenant Easements. Most Lots will be served by utilities and drainage facilities which are located on or under another Lot or Lots. Easements for the installation and maintenance of such utilities and drainage facilities are shown on the recorded plat or plats of the Property, and there are hereby created appurtenant easements for the use and benefit of the respective Lots served, as dominant tenements, on, under and across the Lots burdened thereby, as servient tenements, for ingress and egress of maintenance persons and their vehicles for inspection and repair purposes, and for utility and telephone lines, conduits or cables, sewer and drainage pipes, sprinkler systems, culverts, and utility meters. No Dwelling Unit, structure, planting or other Improvements of any kind shall be built, erected or maintained upon any such easement, reservation, or right_of_way which may damage or interfere with the installation and maintenance of utilities, or which may damage, interfere with or change the direction of flow of drainage facilities, and said easements, reservations and rights of way shall at all times be open and accessible to utilities, and to Declarant, its successors and assigns, all of whom shall have the right and privilege of doing whatever may be necessary in, under and upon such locations to carry out any of the purposes for which said easements, reservations, and rights-of-way are hereby granted.

3.9 Easements for Encroachments. Each Zero Lot_Line_Lot is hereby declared to have an easement over all adjoining Lots and the Common Area for the purpose of accommodating any encroachment due to engineering errors, errors in original construction, settlement or shifting of Improvements, or any other similar cause, including without limitation any encroachment due to building or balcony overhang or projection. There are further declared hereby valid easements for the maintenance of said encroachments so long as they shall exist, and the rights and obligations of Owners shall not be altered in any way by said encroachments; provided, however, that in no event shall a valid easement for encroachment be created in favor of an Owner or Owners if said encroachment occurred due to the willful misconduct of said Owner or Owners. In the event a structure on any Lot is partially or totally destroyed, and then repaired or rebuilt, the Owners of each Lot agree that minor encroachments over adjoining Lots shall be permitted, and that there shall be valid easements for the maintenance of said encroachments so long as they shall exist. In no event shall said easement for encroachment be in excess of twelve (12) inches.

3.10 Appurtenant Easements. Each of the easements provided for in this Declaration shall be deemed to be established upon the recordation of this Declaration, and shall thenceforth be deemed to be covenants running with the land for the use and benefit of the Lots and the Common Area, as the case may be, superior to all other encumbrances applied

against or in favor of any portion of the Property. In furtherance of the easements provided for in this Declaration, the individual grant deeds to Lots may, but shall not be required to, set forth said easements. Any conveyance of any such easement unaccompanied by a like conveyance of a corresponding interest in a Lot shall be void.

3.11 Utility and Drainage Easements. Notwithstanding anything herein expressly or impliedly to the contrary, all easements shall be subject to this Declaration and/or any validly executed and authorized supplements or amendments thereto recorded in the Register's Office of Shelby County, Tennessee.

ARTICLE IV PROPERTY RIGHTS: SINGLE FAMILY RESIDENTIAL LOTS RESTRICTIVE COVENANTS AND OBLIGATIONS

4.1 Lots within the Single-Family Residential Area shall be for the exclusive use and benefit of the Owners thereof and shall be restricted to Single-Family Residential Use, subject, however, to all of the following limitations and restrictions, in addition to those elsewhere herein set forth.

No construction of a Dwelling Unit shall be commenced prior to the approval of the plans and specifications therefor by the Architectural Committee pursuant to Article VI hereof. The construction of any Dwelling Unit shall be completed (as evidenced by the issuance of a Certificate of Occupancy therefor) within one (1) year following the date of the commencement of the construction thereof. For purposes of this Declaration, the "commencement of construction" of a Dwelling Unit shall be deemed to be the date on which any work is performed on a Lot in preparation for the construction of a Dwelling Unit, except

for routine cleaning of such Lot. The maximum one year period provided for completion of construction, may be extended by the Architectural Committee upon receipt of a written request detailing circumstances prohibiting completion within the one year period. Any construction of a Dwelling Unit not completed within one year from commencement of construction or by the expiration of the extension period, if any, (date as determined by the Architectural Committee), may be subject to the following remedies of the Declarant:

(a) Declarant may file a civil complaint in a court of competent jurisdiction requesting a court ordered mandatory injunction;

The Declarant is not limited to the foregoing remedies and may, at its option, choose any one or more of the foregoing remedies or any other remedy available to it in law or at equity.

4.3 Building Height Restrictions. Building Height Restrictions shall conform to Definition Section 202, and Modification 402.2.1 of Standard Building Code (attached as Exhibit B) and Clarification of Memphis and Shelby County Office of Code Enforcement, December 4, 1990, to letter of Cordova Club of November 29, 1990, (attached as Exhibit B-1) and Official Illustrations Page 189 of Memphis and Shelby County Zoning Ordinance, Figure 1 "Illustration of Building Height", (attached as Exhibit C).

4.4 Building Lines. Minimum building setback lines for all Lots shall be as follows and as illustrated in attached Exhibit D, "Illustration of Required Yards".

Side yards shall be calculated for areas from front to rear lot lines, and for the purpose of calculation of 20% of the lot area, side yard shall include those areas within the required rear lot clearance from the rear lot line and front lot clearance from the front lot line.

(c) Rear: All "A" Lots and any Lot abutting or adjoining the Golf Course shall have a rear setback of not less than twenty feet (20') measured from all points of the rear lot line. All other Lots shall have rear setback lines not less than twenty five feet (25') from rear lot line as required by Memphis and Shelby County Zoning Ordinance.

(d) Exceptions: On other than Lots adjoining or abutting the Golf Course, Accessory Buildings, approved by the Architectural Committee for design and location, may be constructed in strict accordance with Chapters 27, 28, and 29 of the above mentioned Zoning Ordinance.

In no event, however, shall building setback lines (front, rear and side) be (i) less than those required by applicable ordinances and regulations or (ii) no less than those shown on The Cordova Club P.D., as amended from time to time. The Declarant reserves unto itself, its successors and assigns, and the Architectural Committee the right to control, absolutely, the precise location of any structure upon all Lots with particular emphasis on front setbacks to create various setbacks on adjoining lots. Such location shall be determined only after reasonable opportunity has been afforded to an Owner to recommend a specific location.

4.5 Windows. No building shall be erected on any Lot wherein there shall be installed any window or window framing fabricated in whole or in part of metal which shall have other than a matte finish.

(a) Window frames and framing other than wood will be either anodized or electrostatically painted. Window frames and framing will be in color harmony with the exterior color and texture of the residence. No natural aluminum color or any other silver tone will be permitted for window framing.

(a) Each dwelling unit must have a private, fully enclosed garage for not less than 2 nor more than 4 automobiles each to be equipped with a sliding or roll-up garage door with automatic opener. No garage may have an entrance which may be seen from the Golf Course. No garage shall be constructed having its garage door-face generally parallel to the front setback line of its Lot unless such garage door is sixty feet (60') or more from that front setback line at all points; UNLESS the Lot is a down hill gradient lot and the garage floor at the door-face is not less than five feet, four inches (5'4") below the level of the main living floor, in which case such garage door may be forty feet (40') from the front setback line. Houses constructed on uphill lots shall not have a garage door-face closer than forty feet (40'0") from the front property line or ten feet (10") behind the front setback line and be not more than seven feet (7') below the main floor elevation.

(b) Garages having garage doors located essentially at right angles to the front setback line, and not less than forty five degrees to the nearest front setback line, will be considered as not fronting on the street, provided that Lots situated on a corner of intersecting streets may be relieved of such restriction upon the written approval of the Architectural Committee.

(c) Garages entered from private alleys shall have their garages entered from the garage side at right angles to the line of the rear lot line whenever possible. Each Owner shall keep his garage doors closed and shall not leave the interior of his garage open to public view, except when necessary for movement of motor vehicles and other permitted items stored therein. This prohibition against allowing a garage door to remain open shall be strictly construed.

Each Owner shall keep his garage in a neat and orderly condition with all storage areas completely enclosed. Garages shall be used only for the parking of motor vehicles, storage and hobby workshop purposes.

4.8 Landscape Design. Appropriate construction procedures should be followed to protect and preserve desirable trees, shrubs and other landscaping which may exist on the construction site or on adjacent or nearby sites. Mature vegetation should, whenever practical, be preserved to give the landscape design an established appearance.

(a) Stockpiling of any building materials shall not be allowed within the drip line of trees. Cutting, filling or any ground disturbances shall not be allowed within the drip line of existing trees.

(b) Temporary erosion control shall be required on site during construction. Hay bales, silt fences, and/or over-seeding annual grasses will be required when necessary in the sole discretion of the Declarant.

(c) Burning shall not be allowed. Damaged plant materials on a Lot shall be replaced by Owner with plant materials comparable to those damaged.

(d) Irrigation systems are preferred to be underground.

4.9 Landscape Installation. Each Owner shall be required to maintain his Lot in a consistently neat and attractive manner beginning from the date of purchase. Permanent and complete landscaping for each Lot not initially landscaped by Declarant, shall be installed, planted and completed by each Owner within ninety (90) days (weather permitting), after the Dwelling Unit on such Lot has been completed in accordance with the building plans as approved by the Architectural Committee. Each Owner shall maintain all landscaping located on his Lot in a neat and orderly condition and shall replace any diseased or dead lawn, trees, or ground cover and shall keep the lawn area neatly mowed. 6.8 Hiring of Employee(s). With the approval of the Board of Directors of the Association, the Architectural Committee shall have the right to engage the services of employees or independent contractors necessary to insure the smooth and efficient functioning of Architectural Committee business.

6.9 Architectural Control. No improvement or change including, but not limited to, the construction, alteration or erection of any building, structure, sign, fence, wall, driveway, walkway, landscape screening, mailbox, outdoor lighting fixture, sanitary and/or storm sewer system, underground wiring, swimming pool, pool deck, change in terrain or topography or the removal of any existing tree or trees which are six (6") inches or more in diameter (when measured by caliper at a point on its trunk which is 24 inches from the ground at its base), shall be commenced, erected, placed or permitted on any Lot until the plans, specifications and specific location (including elevation) of said improvement or change (i) has been approved in writing by the Architectural Committee, or (ii) the Architectural Committee fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it and received by it in the final form and content reasonably acceptable to the Architectural Committee. In the event of (ii) above, no such approval will be required and this Article VI will be deemed to have been fully complied with.

(a) If any improvement or change requiring approval shall be undertaken on a Lot and said approval has not been obtained from the Architectural Committee or if any improvement or change which is not in conformity with plans and specifications approved by the Architectural Committee shall be undertaken on a Lot, said improvement or change shall be deemed to have been undertaken in violation of these covenants and upon written notice from the Architectural Committee, any such improvement or change deemed to be in violation shall be removed by Owner or altered so as to cure such violation. If thirty (30) days after the notice of such violation the Owner or Owners of the Lot in violation shall not have taken bona fide steps reasonably calculated to effect the timely removal or alteration of same, so as to render the Lot in conformity herewith, Declarant and/or the Association through its Architectural Committee shall have the right, through its agent, (i) to apply for appropriate injunctive relief to a court of competent jurisdiction and/or (ii) to enter said Lot and to take such steps as may be necessary to cure such violation and costs thereof shall be a binding obligation of the Owner by a lien on the Lot granted, conveyed and reserved hereby enforceable in accordance with Article X hereof, and subordinate to the Lien of any Mortgage. See Article 4.47 for provisions providing for right of entry.

(b) Failure on the part of the Declarant or the Architectural Committee to require the curing of such violation within one hundred twenty (120) days after any member thereof shall have actual knowledge as to the violation shall be deemed a waiver of the rights of the Declarant or the Architectural Committee contained herein as to the particular violation.

(c) The Architectural Committee shall strive to minimize repetition of exterior appearance or elevations of homes (if practicable in its sole discretion) to create residential areas which present a custom home impression. In no event shall two homes of the same or essentially similar exterior elevation or appearance be permitted on the same street within 500 feet of each other.

6.10 Application for Approval of Improvements. Any Owner, proposing to perform any work of any kind whatever which requires the prior approval of the Architectural Committee pursuant to Article VI, or any other provision of this Declaration, shall apply to the Architectural Committee for approval by notifying the Architectural Committee of the nature of the proposed work in writing, by submitting to the Architectural Committee plans and specifications for the proposed work and by furnishing such additional information as the Architectural Committee may require. Minimum requirements for such submittal shall include:

One complete copy of all materials submitted shall be returned to the Owner. The other two complete copies will not be returned and shall become the property of the Architectural Committee and held as a record together with the submissions required by 6.10(a) through (q), inclusive for a period determined from time to time by the Architectural Committee.

6.11 Public Approvals. All pertinent requirements of public agencies must be followed in the development of the Property, and all plans must be approved by the appropriate departments in the City of Memphis. Each Owner must verify that code requirements have been met at the time of purchase and development. Although based on local zoning and subdivision regulations, Declarant's criteria may be more restrictive in land use, site development standards, landscape requirements, or in other matters. In every case in which this criteria is at variance with public agency requirements, the more restrictive regulations shall govern. Final legal approvals permitting development and occupancy of the Property will be made by the appropriate governmental regulatory authorities.

6.12 Certificate of Compliance. Upon completion of any improvement or change on a Lot undertaken and completed in accordance with plans and specifications approved by the Architectural Committee and upon written request of the Owner of such Lot, a certificate of compliance ("Certificate of Compliance"), shall be issued in a form suitable for recordation. Preparation and recording of such certificate shall be at the expense of the Owner of such Lot. Any Certificate of Compliance issued in accordance with the provisions of this Article shall be prime facie evidence of the facts therein stated as to the Owner, any purchaser or encumbrancer in good faith and for value and as to any title insurer such Certificate of Compliance shall be conclusive evidence that all improvements and changes described therein comply with all requirements of the Association or of this Article VI. No Dwelling Unit shall be occupied until the recording of such Certificate of Compliance.

6.13 Liability for Defective Plans and/or Respective Work Performed. Neither Declarant its successors and assigns, nor the Architectural Committee, its agents, nor any architect or agent thereof, shall be liable or responsible in any way for any defects in any plans or specifications submitted, revised, or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications. Every person who submits plans or specifications to the Architectural Committee for approval agrees by submission of such plans or specifications, and every Owner agrees, that he will not bring any action or suit against the Declarant, the Association or assigns, the Architectural Committee, its agents or any member thereof to recover any such loss or damage.

6.14 Proceeding with Work. Upon receipt of approval from the Architectural Committee or the failure of the Architectural Committee to reject such work pursuant to paragraph 6.9 above, the Owner shall, as soon as practicable, satisfy all conditions hereof and diligently proceed with the commencement and completion of all construction, reconstruction, refinishing, alterations and excavations pursuant to said approval. Said commencement shall be, in all cases, within one year from the date of such approval and (except for Lots which may be initially improved with a Dwelling Unit by Declarant), all construction shall be completed and a Certificate of Occupancy for any Dwelling Unit shall be

issued no later than one year following the date of the commencement of the construction thereof, and all landscaping initially installed on any Lot shall be completed within 90 days following the issuance of the Certificate of Occupancy for the Dwelling Unit on such Lot. If the Owner shall fail to comply with this section, any approval given pursuant to paragraph 6.9 above, shall be deemed revoked unless the Architectural Committee, upon written request of the Owner made prior to the expiration of the applicable period, extends the time for such commencement. No such extension shall be granted except upon a finding by the Architectural Committee that there has been no change in the circumstances upon which the original approval was granted.

6.15 Failure to Complete Work. Except as otherwise provided herein, the Owner shall in any event complete the construction, reconstruction, refinishing, or alteration of any such Improvement within one (1) year after commencing construction thereof, except and for so long as such completion is rendered impossible or would result in great hardship to the Owner due to strikes, fires, national emergencies, natural calamities or other supervening forces beyond the control of the Owner or his agents. If an Owner fails to comply with this Section 6.15, the Architectural Committee shall notify the Owner of such failure, and the Architectural Committee shall proceed in accordance with the provisions of Section 6.16 below, as though the failure to complete the Improvement were a noncompliance with approved plan.

6.16 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

(a) Notice of Completion. Upon the completion of any construction or reconstruction or the alteration or refinishing of the exterior of any Improvements, or upon the completion of any other work for which approved plans are required under this Declaration, the Owner shall give written notice thereof to the Architectural Committee ("Notice of Completion").

(b) Right to Inspect. Within sixty (60) days after receipt of Notice of Completion, the Architectural Committee, or its duly authorized representative, may inspect such improvement to determine whether it was constructed, reconstructed, altered or refinished in substantial compliance with the approved plans. If the Architectural Committee finds that such construction, reconstruction, alteration or refinishing was not done in substantial compliance with the approved plans, in its sole discretion, it shall notify the Owner in writing of such non-compliance within such sixty (60) day period, specifying particulars of non-compliance, and shall require the Owner to remedy such non-compliance.

(c) Failure to Notify. If for any reason the Architectural Committee fails to notify the Owner of any noncompliance within ninety (90) days after receipt of the Notice of Completion from the Owner, the Improvement shall be deemed to be in accordance with said approved plans.

6.17 Application for Preliminary Approval. Any Owner proposing to construct Improvements requiring the prior approval of the Architectural Committee may apply to the Architectural Committee for preliminary approval by submission of preliminary drawings of the proposed Improvements in accordance with the Architectural Committee Rules. The purpose of the preliminary approval procedure is to allow an Owner proposing to make substantial Improvements an opportunity to obtain guidance concerning design considerations before expending substantial sums for plans and other exhibits required to apply for final approval. Applications for preliminary approval shall be considered and disposed of as follows:

(a) Architectural Committee Action. Within thirty (30) days after proper application for preliminary approval, the Architectural Committee shall consider and act upon such request. The Architectural Committee shall grant the approval only if the proposed improvement, to the extent its nature and characteristics are shown by the application, would be entitled to a final approval on the basis of a full and complete application. Failure of the Architectural Committee to notify the applicant within said thirty (30) day period shall constitute an approval. In granting or denying approval, the Architectural Committee may give the applicant such directions concerning the form and substance of the final application for approval as it may deem proper or desirable for the guidance of the applicant.

(b) Duration of Preliminary Approval. Any preliminary approval granted by the Architectural Committee shall be effective for a period of one hundred twenty (120) days from the date of the issuance thereof. During said period, any application for final approval which consists of proposed Improvements in accordance with the provisions of the preliminary approval, and is otherwise acceptable under the terms of this Declaration, shall be approved by the Architectural Committee.

(c) No Construction on Preliminary Approval. In no event shall any preliminary approval be deemed to be an approval authorizing commencement of construction of the proposed Improvements.

6.18 Waiver. The approval by the Architectural Committee of any plans, drawings or specifications for any work done or proposed, or for any other matter requiring the approval of the Architectural Committee under this Declaration, shall not be deemed to constitute a waiver of any right to withhold approval of any similar plan, drawing, specification or matter subsequently submitted for approval.

6.19 Special Situations - No Precedent Set. In order to meet special situations which may not be foreseen, it may be desirable for the Architectural Committee to allow variances of certain requirements. Any variance thus granted shall not be considered to be precedent setting since the decision is being made with the welfare of the overall Project in mind.

6.20 Two Years to Commence. The Lots are offered for sale for the purpose of construction of Dwelling Units thereon and not for speculation or investment purposes. Therefore, it is mandatory that construction of a Dwelling Unit be commenced within two (2) years after acquisition of a Lot and continued to completion.

ARTICLE VII DECLARANT'S DEVELOPMENT RIGHTS

7.1 Limitations of Restrictions. Declarant is undertaking the work of improving Lots for Single-Family Residential Use, constructing incidental Improvements within the Project and may construct on improved Lots Single-Family Dwelling Units. The completion of that work and the sale, rental and other disposal of said Lots and any Dwelling Units that may be constructed thereon by Declarant is essential to the establishment and welfare of said Project as a residential community. In order that said work may be completed and said project may be established as a residential community as rapidly as possible, nothing in this Declaration shall be understood or construed to:

(a) Prevent Declarant, its contractors, or subcontractors, from doing on the

Project or any Lot therein, whatever is reasonably necessary or advisable in connection with the completion of said work; or

(b) Prevent Declarant from conducting on any part of the Project, including property annexed thereto, its business of completing said work and of establishing the Property as a residential community and of disposing of the Property in parcels or Lots by sale, lease or otherwise; or

(c) Prevent Declarant from maintaining such sign or signs on any portion of the Project as may be necessary for the sale, lease or disposition thereof; or, prevent Declarant or its representatives, contractors, or subcontractors, from using any portion of the Project for ingress, egress, sales, development and construction purposes and all other purposes incidental thereto.

ARTICLE VIII RIGHTS OF BENEFICIARY

8.1 Protection of Encumbrancer. No violation, or breach of, or failure to comply with, any provision of this Declaration and no action to enforce any such provision shall affect, defeat, render invalid or impair, the lien of any first Mortgage, if such Mortgage is (i) taken for value and (ii) perfected by recording in the Register's Office of Shelby County, Tennessee, prior to the time of recording in said office of an instrument describing the Lot and listing the name or names of the Owner or Owners of fee simple title to the Lot and giving notice of such violation, breach or failure to comply.

Such violation, breach, failure to comply or action to enforce shall not affect, defeat, render invalid or impair the title or interest of the holder of any such first Mortgage, or of the title or interest acquired by any purchaser upon foreclosure of any such first Mortgage or result in any liability, personal or otherwise, of any such holder or purchaser. Any such purchaser on foreclosure shall, however, take title subject to this Declaration.

ARTICLE IX MISCELLANEOUS

9.1 Amendment and Duration of Declaration. The covenants, conditions and restrictions of this Declaration shall run with the land, shall inure to the benefit of and be enforceable by the Declarant, or the Owner of any Lot subject to this Declaration, their respective legal representatives, heirs, successors, and assigns, for a term of thirty (30) years from the date this Declaration is recorded, after which time said covenants, conditions and restrictions shall be automatically extended for successive periods of ten (10) years, unless terminated by the consent of all the Owners of 90% of the Lots at such time. The covenants, conditions and restrictions of this Declaration may be amended during the first thirty (30) year period by an instrument signed by not less than all the Owners of ninety (90%) percent of the Lots and thereafter by an instrument signed by not less than all of the Owners of seventy-five (75%) percent of the Lots. Any such amendment must be properly recorded in the Register's Office of Shelby County, Tennessee in order to be effective.

Notwithstanding anything herein contained to the contrary, Declarant reserves the right for a period of five (5) years from the date hereof or until seventy-five percent (75%) of the Lots are sold, whichever shall later occur, to amend this Declaration in whole or in part,

unilaterally and without the consent of any other Owner, to conform this Declaration to the requirements of any governmental agency, Federal, state or local, and to meet the requirements of any lender or guarantor, including but not limited to the FHA, VA, FNMA or FHLMC.

9.2 Effect of Provisions of Declaration. Each provision of this Declaration, and any agreement, promise, covenant and undertaking to comply with each provision of this Declaration, and any necessary exception or reservation or grant of title, estate, right or interest, in the Property or any part thereof shall:

(a) be deemed incorporated in each deed or other instrument by which any right, title or interest in the Property or in any Lot is granted, devised or conveyed, whether or not set forth or referred to in such deed or instrument;

(b) by virtue of acceptance of any right, title or interest in the Property or in any Lot by an Owner, be deemed accepted, ratified, adopted and declared as a personal covenant of such Owner, and, as a personal covenant, shall be binding on such Owner and such Owner's heirs, personal representatives, successors and assigns and shall be deemed a personal covenant to, with and for the benefit of the Declarant its successor and assigns but not to, with or for the benefit of any other non-aggrieved Owner;

(c) be deemed a real covenant by Declarant, for itself, its successors and assigns, and also an equitable servitude, running, and each case, as a burden with and upon the land and title to the property and each Lot and, as a real covenant and also as an equitable servitude, shall be deemed a covenant and servitude for the benefit of the Property and each Lot.

9.3 Compliance with Provisions of this Declaration. Each Owner shall comply strictly with, and shall cause each of its Guests or Tenants to comply strictly with, all of the provisions of this Declaration, as the same may be amended from time to time. Failure to comply with any of the same shall be grounds for an action or actions at law or in equity to recover sums due and for damages or injunctive (including mandatory injunctive) relief or both, along with costs of suit and reasonable attorneys' fees for which each Owner hereby agrees to be liable.

9.4 Violations and Nuisance. Every act or omission whereby a covenant, condition or restriction of this Declaration is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated, whether or not the relief sought is for negative or affirmative action, by Declarant, its successor and assigns, the Architectural Committee, or an owner or Owners and their respective, duly authorized agents.

9.5 Violation of Law. Any violation of any federal, state, municipal or local law, ordinance or regulation pertaining to the ownership, occupation or use of any property within the Project is hereby declared to be a violation of this Declaration and subject to any or all of the enforcement procedures herein set forth.

9.6 Enforcement. The Declarant, its successors and assigns, the Association or any Owner, shall have the right to enforce those covenants, conditions and restrictions by any proceeding at law or in equity, against any Person violating or attempting to violate any covenant or restriction, to restrain violations, to require specific performance and/or to recover damages against a Lot to enforce any lien created by these covenants and failure by the Declarant its successors and assigns, the Association, or by any Owner to enforce any

covenants or restrictions herein contained shall in no event be deemed a waiver of the right to do so thereafter unless otherwise provided herein. However, any other provision in this Declaration notwithstanding, only Declarant, its successors and assigns, the Association, or their respective, duly authorized agents, may enforce by self-help, any covenant, condition, or restriction herein set forth. The expense of enforcement shall be chargeable to the Owner of the Lot violating these covenants and restrictions and secured by a lien on the Lot hereby granted, conveyed and reserved.

9.7 Remedies Cumulative. Each remedy provided by this Declaration is cumulative and not exclusive.

9.8 Non-waiver. Except as otherwise stated explicitly to the contrary herein, the failure to enforce, or to timely enforce the provisions of any covenant, condition or restriction contained in this Declaration shall not constitute a waiver of any right to enforce any such provisions or any other provisions of this Declaration.

9.9 Numbers and Genders. Whenever used herein, unless the context shall otherwise provide, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all genders.

9.10 Successors and Assigns. This Declaration shall be binding upon and shall inure to the benefit of the Declarant, each Owner, and the grantees, successors, heirs, executors, administrators, devisees and assigns of each of them.

9.11 Severability. Invalidity or unenforceability of any provision of this Declaration in whole or in part shall not affect the validity or enforceability of any other provision or any valid and enforceable part of a provision of this Declaration.

9.12 Rule Against Perpetuities. If any of the options, privileges, covenants or rights created by this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of any survivor of the now living descendants of the President of the United States, whoever that person shall be on the date this document is executed, and/or the Governor of Tennessee, whoever that person shall be on the date this document is executed.

9.13 Applications, Approvals, etc. Whenever there shall appear herein a time limit within which the Architectural Committee shall be permitted to act, it is understood that such committee shall, however, use its best efforts to render an expeditious approval or notification to an Owner or other applicant. Nothing herein shall, however, be construed as a waiver of any right of Declarant or the Architectural Committee should such committee fail to use its best efforts.

9.14 No Reversion of Title. Violation of the covenants and restrictions herein contained shall not cause forfeiture or reversion of title.

9.15 Effect of Headings. Except as to definitions contained in Article I hereof, the article, section, paragraph and subparagraph headings herein are for convenience only and shall not affect the interpretation or construction hereof.

9.16 Attorney Fees. In the event that an attorney at law is engaged to enforce the provisions of this Declaration, the Lot Owner against whom enforcement is sought shall pay all

costs of collection and litigation of the party successfully seeking enforcement, together with reasonable attorney fees, and the same shall be a lien on the Lot of such Owner, such lien being granted, conveyed and reserved hereby in favor of such party.

9.17 Additional Assignment Areas. Declarant may, at any time prior to the sale of ninety percent (90%) of the Lots establish association or assessment areas within the Property for the purpose of providing for special maintenance, ongoing repair and maintenance of private roads or for any other purpose or purposes not inconsistent with this Declaration.

ARTICLE X LIEN

10.1 Lien. If any Owner shall fail or refuse to make any payment of any indebtedness incurred by such Owner to Declarant or to the Association as set out in this Declaration, when due, the amount thereof together with interest thereon at the lesser of the rate of ten percent (10%) per annum or the maximum interest rate then permitted under the laws of the State of Tennessee (the "Lien Indebtedness"), after such indebtedness becomes due and payable, shall constitute a lien on the Lot of such defaulting Owner, such Lien being granted, conveyed and created hereby.

10.2 Enforcement of Lien. FOR AND IN CONSIDERATION of the privileges, protections, mutual enjoyment and use of the Common Area and the premises contained herein, and for other good and valuable consideration, and One Dollar paid in cash, the receipt and adequacy of which are hereby acknowledged, and any assumption of the obligations by transferees as required hereunder, and to secure the payment of Lien Indebtedness, principal, interest and attorney fees, a lien is expressly retained by the Declarant on each and every Lot for the benefit of all other Lot Owners, the Association, the Declarant, their successors and assigns.

Further, for the purposes of securing the payment of the Lien Indebtedness and rendering unnecessary court proceedings for the enforcement of said lien in the event of the non-payment of the Lien Indebtedness as they become due, the Owners, their heirs, administrators and assigns ("Trustors"), hereby transfer and convey and by becoming an Owner subject to this Declaration do thereby transfer and convey unto Robert Jones and Robert Pinstein, both residents of Shelby County, Tennessee, as Trustees ("Trustees"), their successors and assigns, all Lots and each and every Lot with the appurtenances, estate, title and interest thereto for the following uses and trusts:

Upon failure of a Trustor to make timely payment of the Lien Indebtedness, then the Trustee, or his successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three publications in any newspaper published daily or weekly in Shelby County, Tennessee, to enforce the lien and sell the Lot at any door of the Courthouse in said county to the highest bidder for cash at public outcry, free from the equity of redemption, statutory right of redemption, homestead, dower and all other exemptions of every kind, which are hereby expressly waived, and the Trustee, or his successor in trust, is authorized and empowered to execute and deliver a valid deed to the purchaser of such Lot. The Trustor may bid at any sale under this trust conveyance. The Trustee may, at any time after default in the payment of the Lien Indebtedness, enter and take possession of the Lot and shall only be liable to account for the net rents actually received by him, if any. It is

further agreed that, in the event the Trustee fails, before selling the Lot, as herein provided, to enter and take possession thereof, the purchaser of the Lot shall nonetheless be entitled to immediate possession thereof upon delivery to him by the Trustee of a deed for said Lot. In the case of sale hereunder, the proceeds will be applied by the Trustee in the following order:

(1) To the payment of all costs, charges and expenses of executing this trust and conveyance and enforcing said lien as herein provided, including, but not limited to, reasonable attorney's fees for advice in the premises, or for instituting or defending any litigation which may arise on account of this conveyance, or the enforcement of said lien.

(2) To the payment of all real property taxes which may be unpaid.

(3) To the payment of all liens and Mortgages senior to the lien established herein.

(4) To the payment of all unpaid Lien Indebtedness and any and all sums expended in the protection of the Lot and the Improvements thereon.

(5) The residue, if any, will be paid to the foreclosed Trustor, representatives or assigns. In the case of death, absence, resignation, inability or refusal to act of a Trustee at any time when action under the foregoing power and trusts may be required or for any other reason, the Declarant or his successors or assigns is hereby authorized and empowered to name and appoint a successor to execute this trust by an instrument in writing to be recorded in the Register's Office of Shelby County, Tennessee, and the title herein conveyed to the above named Trustees shall be vested in either of them and such successor. The word "Trustor" when used herein shall apply to parties both singular and plural, as the context may require.

10.3 Lien Subordinate to Mortgage. All liens herein established, including but not limited to, the lien for Lien Indebtedness payable by an Owner, shall be subordinate to the lien of a recorded first Mortgage on the interest of such Owner. This Article 10.3 shall not be amended, changed, modified or rescinded without the prior written consent of all beneficiaries who are at the time owners of first Mortgages.

10.4 Multiple Trustees. Either of the Trustees herein named shall have the full power to act when action hereunder is required and the term "Trustee" shall be construed to mean "Trustees". In the event that the substitution of a Trustee shall become necessary or advisable for any reason, the substitution of one trustee in the place of the two named herein shall be sufficient.

10.5 Notice. Nothing herein contained shall be construed to require any Trustee or beneficiary of the trust to enforce the lien herein established either by sale or otherwise. In addition to all other remedies available to the Trustees, Declarant or the Association, any one of them may file a written notice of the lien created hereunder in the Register's Office of Shelby County, Tennessee after failure of any Lot Owner to make a timely payment required by this Declaration and/or the Association. Such filing shall provide constructive notice of the existence of the lien and shall establish thereby a priority over those liens filed after the filing date of this Declaration when so permitted by applicable law, except as otherwise stated in Section 10.3 hereof. Any notice of lien so filed shall be effective if it substantially states the following: a) that a lien exists in favor of the claimant, b) the amount of the lien, c) the legal description of the real property subjected to the lien and d) the record owner of such property.

ARTICLE XI THE ASSOCIATION

11.1 General Purposes and Powers. There shall be established an Association of the Owners for the purpose of promoting the goals of this Declaration for the mutual benefit of the Owners. The Association, through its Board of Directors, shall perform functions and manage the Property as provided in this Declaration so as to further the interests of the Owners. It shall have all powers necessary or desirable to effectuate such purposes.

11.2 Membership. The Owner of a Lot shall, upon becoming an Owner, become a member of the Association. Said membership shall automatically pass with fee simple title to a Lot. Each Owner shall be entitled to the benefits (subject to an Owner's complying with the dictates of this Declaration, the Articles and Bylaws) and shall be subject to the burdens relating to membership. If the fee simple title to a Lot is held, of record, by more than one Person, each such Person shall be a member of the Association. Membership shall be appurtenant to and may not be separated from ownership of any Lot, such ownership being the only qualification for membership.

11.3 Voting of Owners. The Owner (aggregate of all Persons owning a Lot) of each Lot shall be entitled to one vote per Lot owned. Therefore, the one vote attendant to a particular Lot so owned must be voted as a single vote and may not be divided among the individual Persons who comprise the ownership of the same Lot. Notwithstanding the above, the Declarant shall have 2.5 votes per Lot owned by it until such time as seventy percent (70%) of the total number of Lots projected by Declarant to be developed have been conveyed to Persons other than the Declarant, or January 1, 1997, whichever shall first occur.

11.4 Board of Directors. The affairs of the Association shall be managed and governed by a Board of Directors which may by resolution delegate any portion of its responsibility to an executive committee, or to a member of the Board, or to a manager for the Association. There shall be not less than three (3) nor more than twenty-five (25) members of the Board of Directors, the specific number to be set forth from time to time in the Bylaws, all of whom shall be Owners, except those appointed by the Declarant in accordance with this Declaration.

All members of the Board of Directors shall be appointed by Declarant until such time as more than 70% of the total number of Lots by Declarant projected to be developed have been conveyed to Persons other than the Declarant, or January 1, 1997, whichever shall first occur. Therefore, the Owners may not elect or remove a member of the Board until either of such events has occurred. The Board shall, in addition to all other duties and responsibilities, be empowered to promulgate reasonable and non-discriminatory rules and regulations for the use of the Property and Common Areas.

11.5 Bylaws and Articles. The purposes and powers of the Association and the rights and obligations with respect to Owners set forth in this Declaration may be and shall be amplified by provisions of the Articles of Incorporation and Bylaws of the Association. A copy of the Articles of Incorporation and Bylaws of the Association are attached hereto as Exhibits E and F which shall be governed and may be modified pursuant to the laws of the State of Tennessee.

ARTICLE XII CERTAIN RIGHTS AND OBLIGATIONS OF THE ASSOCIATION

12.1 Association as Attorney-in-Fact for Owners. The Association is hereby irrevocably appointed attorney-in-fact for the Owners, and each of them, to manage, control and deal with the interest of each Owner in the Feature Areas so as to permit the Association to fulfill all of its duties and obligations hereunder and to exercise all of its rights hereunder, including but not limited to the granting of easements through any portion of the Common Areas. The acceptance by any Person of an interest in any Lot (except when such interest shall be derived from a taking of that interest as security for an obligation) shall constitute an appointment of the Association as attorney_in_fact as provided above and hereinafter.

The Association is hereby granted all of the powers necessary to govern, manage, maintain, repair, rebuild, administer and regulate the Feature Areas and to perform all of the duties required of it. Notwithstanding the above, but subject to the provisions hereof, unless all of the first Mortgages of Lots and all of the Owners have given their prior written approval, the Association shall not be empowered or entitled to:

(a) by act or omission, seek to abandon or terminate any part of the Feature Area(s).

(b) change the pro-rata interest or obligations of any Owner for the purpose of allocating distributions of insurance proceeds or condemnation awards;

(c) by act or omission, seek to abandon, partition, subdivide, encumber, sell or transfer (excluding the granting of easements for public utilities or other public purposes consistent with the intended use of the Feature Areas) any part of the Common Areas; or

(d) use hazard insurance proceeds paid for loss to the Feature Areas for other than repair, replacement or reconstruction hereof, except as otherwise set out herein.

12.2 Feature Areas. The Association shall provide for the care, operation, management, maintenance, repair and replacement of the Feature Areas. Without limiting the generality of the foregoing, said obligations shall include the keeping of such Feature Areas in good, clean, attractive and sanitary condition, order and repair, the keeping of the Feature Areas attractive and desirable, and the making of necessary or desirable alterations, additions, betterments or improvements to or on the Feature Areas.

12.3 P.D. 12.5 Property of Association. The Association may pay for, acquire and hold or lease real property and tangible and intangible personal property and may dispose of the same by sale or otherwise, in furtherance of its duties and the general purposes contained herein and in the Articles and in the Bylaws.

Subject to the rules and regulations of the Association, each Owner and each Owner's Guests and Tenants may use such property. In the event of dissolution of the Association, if ever, the beneficial interest in any of the herein described property shall be deemed to be owned by the then Owners as tenants in common in the same proportions as their respective interests in the Common Areas. A transfer of a Lot shall transfer to the transferee ownership of the transferor's beneficial interest in such property without the necessity of any specific reference thereto. Each owner may use such property in accordance with the purposes for which it is intended, without hindering or encroaching upon the lawful rights of the other Owners. The transfer of title to a Lot under foreclosure shall entitle the purchaser to the beneficial interest in such property associated with the foreclosed Lot.

12.6 Utility Easements. The Association shall have the right to grant utility, telephone, television, cable or other easements under, through or over the Common Areas which are reasonably necessary to the ongoing development and operation of the Property.

12.7 Mortgagee Notification. Further, upon the written request of any first Mortgagee, such first Mortgagee shall be entitled to receive the most recent annual financial statement of the Association, if any, and written notice of all meetings of the Association and such first Mortgagee shall have the right to designate a representative to attend any such meeting.

12.8 Enforcement by Association. The Board may suspend any Owner's voting rights in the Association during any period or periods during which such Owner fails to comply with the Association's rules and regulations, or with any other obligations of such Owner under this Declaration. The Association may also take legal and/or other equitable action at any time and from time to time against any Owner to enforce compliance with such rules, regulations or other obligations herein or in the Bylaws or in any amendments hereto or thereto or to obtain damages for non-compliance therewith, all to the extent permitted by law. The Board may impose a reasonable fine or fines on any Owner for each violation or act of noncompliance by any such Owner or his Guest or Tenant.

12.9 Implied Rights. The Association shall have and may exercise any right or privilege given to it expressly by this Declaration or the Articles or Bylaws, or reasonably implied from the provisions of said documents, or given or implied by law, or which may be necessary to fulfill its duties, obligations, rights or privileges.

ARTICLE XIII ASSESSMENT FOR COMMON EXPENSES

13.1 Assessment. Each Owner, inclusive of Declarant, provided Declarant is an Owner, shall be obligated to pay a proportionate share of the expenses of the administration and operation of the Association and Feature Areas and of other expenses incurred in conformity with the Bylaws or this Declaration. Assessments for this purpose shall be imposed by the Board of Directors to meet the Common Expenses. The assessments shall be made prorata according to each Owner's voting right in the Association unless, in its reasonable discretion, the Board of Directors shall, by two-thirds vote thereof, determine that another method of proration of an Owner's share of the total assessment is equitable. Assessments for the estimated Common Expenses shall be due monthly, in advance, on the first day of each month. The Manager or Board of Directors shall prepare and deliver or mail to each Owner an itemized annual budget showing the various estimated or actual expenses for which the assessments are made.

The Assessment for Common Expenses includes but is not limited to expenses of management, premiums for insurance of the types and kinds provided for in Section 13.5 hereafter, landscaping and care of grounds, common utilities, repairs and renovations, security, expenses and liabilities incurred by the Manager or Board of Directors under or by reason of this Declaration, deficits remaining from a previous period, and other costs and expenses relating to the Feature Areas. Further, it shall be mandatory for the Board to establish and segregate, out of such monthly assessments, a contingency or reserve fund for the repair, replacement and maintenance of those Feature Areas that must be replaced periodically. The omission or failure of the Board of Directors to fix the assessment for any period of time shall not be deemed a waiver, modification or release of the Owners from their obligation to pay same.

Any Owner or first Mortgagee may inspect the Association's records of receipts and expenditures at any reasonable time during convenient weekday business hours upon ten days' written notice of such intent to the Board of Directors or the Manager, if any. Upon payment of a reasonable fee, not to exceed Fifty Dollars (\$50.00), any Owner or first Mortgagee of such Owner shall be furnished a statement of account setting forth the amount of any unpaid assessments or other charges due and owing from such Owner. At the end of any calendar year, the Board of Directors may, but shall not be required to, refund to each Owner his proportionate share of funds then held by the Association which are not deemed to be necessary to meet the Common Expenses.

13.2 Special Assessment. The Board of Directors shall have the right during any calendar year to levy and assess against all of the Owners a special assessment for such purpose or purposes, in accordance with this Declaration, the Articles or Bylaws, as may be necessary to keep the Property as a first class residential subdivision or community, in the Board's discretion. Such special assessment shall be borne by the Owners in accordance with each Owner's voting interest in the Association and shall be due and payable as determined by the Board of Directors.

13.3 Assessment Reserves. The Association may require the Owners to deposit with the Association an amount not exceeding six times the amount of the then estimated monthly assessment, which sum shall be held, without interest, by the Association as a reserve to be used for working capital. Said sum may be required to be added to from time to time to reach the then current six month limit. Such an advance payment shall not relieve an Owner from

making the regular monthly payment of the monthly assessment as the same comes due. Upon the transfer of its Lot, an Owner shall be entitled to a credit from its transferee but not from the Association, for any unused portion thereof. Such reserves shall at all times remain as capital of the Association.

13.4 Additions, Alterations and Improvements - Common Areas. There shall be no special assessments for any capital additions, or improvements to or alterations of the Feature Areas by the Association requiring expenditure(s) in excess of Ten Thousand Dollars (\$10,000.00) in the aggregate in any one calendar year without, in each case, prior approval by the Owners holding a majority of the voting rights in the Association, except in the event of an emergency, as deemed by the Board in its reasonable discretion.

13.5 Insurance.

(a) The Board of Directors shall obtain and maintain at all times, to the extent obtainable, policies of insurance, written with financially responsible and able companies licensed to do business in Tennessee, covering the risks set forth below. The types of coverages to be obtained and risks to be covered are as follow, to_wit:

(1) Bodily injury and property damage liability in a minimum amount of not less than \$1,000,000.00 per person or per occurrence covering all claims for bodily injury or property damage. Coverage shall include, without limitation, liability for personal injuries, operation of automobiles on behalf of the Association, and activities in connection with the ownership, operation, maintenance and other use of the Common Areas. All liability insurance shall name the Association, the Board, the Manager, the Declarant, first Mortgagees (of which the Association has written notice, mere public filing being insufficient), the Owners and the Officers of the Association, as insureds thereunder. Such policy or policies shall protect each of the insureds as if each were separately insured under separate policies; provided, however, that such policy or policies shall not require the insurers to pay any amount in excess of the maximum limits stated therein.

(2) Worker's Compensation and employer's liability insurance and all other similar insurance with respect to employees, if any, and subcontractors of the Association in the amounts and in the forms now or hereafter required by law.

(3) Fidelity coverage against dishonesty of employees or any other persons handling funds of the Association, destruction or disappearance of money or securities and forgery. Said policy shall also contain endorsements thereto covering any Persons who serve the Association without compensation.

(4) The Association may obtain insurance against such other risks, of a similar or dissimilar nature, as it shall deem appropriate with respect to the Property, including insurance for any personal property located thereon and Directors and Officers liability insurance with respect to the actions of the Board of Directors and Officers of the Association.

(b) All policies of insurance, to the extent obtainable, shall contain waivers of subrogation and waivers of any defense based on invalidity arising from any acts of an Owner and shall provide that such policies may not be canceled or modified without at least thirty (30) days' prior written notice to first Mortgagees and the Association. The types of coverage and limits of all insurance carried pursuant to these provisions shall not be subject to question or

claim against the Board for failure to carry adequate coverage.
